

MISSION

Our mission is to educate, mentor, motivate, and provide the resources to help children achieve their dreams, and become valuable and viable assets in the community. Furthering our mission is to provide the best educational, athletic, recreational, and social programs to children, young adults and the elderly in a secure, state-of-the-art facility that will address the various unmet needs of families and communities.

VISION

JAM24Seven will be the premier community center and provide quality, comprehensive services and programs. We will support the youth and their families through constructive activities and events.

We want to inspire, motivate, and create a sense of hope that will impact the lives and futures of the people we serve. We will foster a positive environment that promotes and celebrates academic, social, career, personal and spiritual growth.

Our priority is to provide the best in youth services, family events, and individual and community development. JAM24Seven will represent a new standard and reestablish integrity, pride, and respect for all members of the community.

By engaging the minds, bodies, and spirits of each individual member, we can transform disparities into possibilities. Our vision is to reach one, teach one, save all.

OVERVIEW

JAM24Seven (Jesus Answers Me 24Seven) Enrichment Center is a 501(c)(3) nonprofit organization established in 2009 by its President, Joanne Jones. Founded on the belief that if we can provide youth and families with a safe, constructive environment, we can educate and encourage individuals to be productive citizens, and transform disparities into possibilities.

JAM24Seven is a comprehensive complex for all age groups. Delivering a diverse range of amenities and activities, JAM24Seven offers the best in recreational, leisure, educational and empowerment programming. With an exceptional array of programs and services for the entire community, JAM24Seven aims to be the premiere center for children, teens, young adults, senior citizens and more.

The JAM24Seven Enrichment Center strives to provide a sense of purpose, confidence, and inspiration for all of its members. Our priorities are to create affordable recreation and enrichment opportunities, promote community wellness, and provide a secure, positive environment for children and teens. Our aim is to save, mentor, and restore. By serving as a conduit and catalyst for positive change, we believe we can transform lives and impact futures. By focusing on a person's potential, we believe we can create better possibilities and outcomes for all we serve.
